

## 2024/25 U21 RISE Competition Application

By submitting this form, you confirm your interest in participating in the U21 RISE competition. Save this document and send the completed form to [andrea.orbannoechslin@uzh.ch](mailto:andrea.orbannoechslin@uzh.ch) by **Friday, 31 January 2025, 23:59 CET** at the latest.

### About your Project

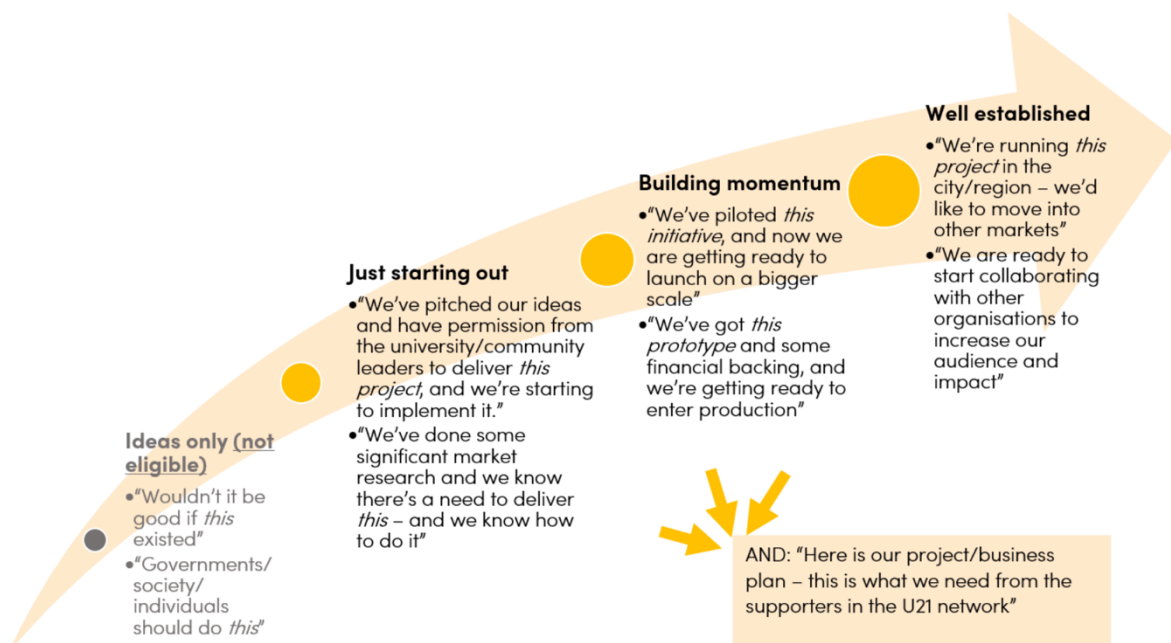

RISE gives student-led projects access to a global audience of experts in industry and academia. Your project must meet at least one of the 17 UN Sustainable Development Goals (SDGs).

### Project Description

Identify the SDG(s) that your project addresses and how this is a new approach to address this problem. Explain exactly what your project will do and how/why it will be successful (limited to 700 words).

### Project Stage

Identify the stage you are in for this project according to the three action-focused stages by RISE. Note that entries must be past the idea stage (limited to 300 words).

Your project could be at any of these three action-focused stages
